BID SHEET INSTRUCTIONS

- ✓ Be sure your name and shipping/ mailing address are current and correct. Do not use a post office box number. **Include a phone number** where we can reach you; FedEx also requires a phone number. Include an email address if you use email.
- ✓ List your items by catalog number in order of preference if you have a spending limit. A short title/description helps you and us to correctly identify the clock. Your spending limit might be a dollar amount, or a clock number amount (*i.e., no more than two clocks*).
- ✓ Your bid must be at least the minimum; bid what you are willing to pay for the item, but no more. Remember, most bidders win their clocks for less than their maximum bid.
- ✓ Add a note with **bidding instructions**, if necessary. For example, "I only want this clock if I don't win clock # ___".
- ✓ We will fill in the Award column amount for the clocks you win and the total the amount due, and let you know by email or phone (if you do not use email) after the auction closes. You may pay by **returning a check** or requesting a **PayPal invoice** so you can pay by credit card - If you wish to use PayPal add the convenience fee to your total.
- ✓ We will arrange shipping through several local shipping firms if you request shipping on the above form. They will contact you with an estimate of cost, and provide shipping options.
- ✓ **Please allow 3-4 weeks for your clocks to arrive;** we only have a few trusted shippers, and we are not their only customer. You may call or email us anytime to find out the status of your delivery. We will try to arrange to have the shippers notify you by email of your shipment status. Bear in mind that shippers often require packages over \$500 to be signed for upon delivery; you may wish to have your clocks sent to a business address if no one will be at your home to sign. Alternatively, you can arrange through the shipping firm to have the packages sent to a local outlet (UPS Store, FedEx Office) for pick-up at your convenience.
